# UNORGANIZED TERRITORY MUNICIPAL COST COMPONENTS

FISCAL YEAR 2010-2011

**An Act To Establish Municipal Cost Components for Unorganized  
Territory Services To Be Rendered in Fiscal Year 2010-11 and To Make  
Certain Changes in the Laws Governing Tax Increment Financing  
Payments in the Unorganized Territories**

**Emergency preamble.** Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

**Whereas,** prompt determination and certification of the municipal cost components in the Unorganized Territory Tax District are necessary to the establishment of a mill rate and the levy of the Unorganized Territory Educational and Services Tax; and

**Whereas,** in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

**PART A**

**Sec. A-1. Municipal cost components for services rendered.** In accordance with the Maine Revised Statutes, Title 36, chapter 115, the Legislature determines that the net municipal cost component for services and reimbursements to be rendered in fiscal year 2010-11 is as follows:

Audit - Fiscal Administration	\$198,691
Education	12,529,594
Forest Fire Protection	93,916
Human Services - General Assistance	58,000
Property Tax Assessment - Operations	788,218
Maine Land Use Regulation Commission - Operations	525,931
<hr/>	
<b>TOTAL STATE AGENCIES</b>	<b>\$14,194,350</b>

**County Reimbursements for Services:**

Aroostook	\$933,290
Franklin	600,521

Hancock	158,542
Kennebec	933
Oxford	494,827
Penobscot	904,838
Piscataquis	1,033,573
Somerset	911,530
Washington	782,970
<b>TOTAL COUNTY SERVICES</b>	<b>\$5,821,024</b>

---

<b>TOTAL REQUIREMENTS</b>	<b>\$20,015,374</b>
---------------------------	---------------------

#### **COMPUTATION OF ASSESSMENT**

Requirements	\$20,015,374
--------------	--------------

Less Deductions:

General -

State Revenue Sharing	\$198,640
Homestead Reimbursement	70,000
Miscellaneous Revenues	<u>50,000</u>

<b>TOTAL</b>	<b>\$318,640</b>

---

<b>TOTAL DEDUCTIONS</b>	<b>\$884,640</b>
-------------------------	------------------

<b>TAX ASSESSMENT</b>	<b>\$19,130,734</b>
-----------------------	---------------------

## **PART B**

**Sec. B-1. 36 MRSA §1603**, as amended by PL 2007, c. 627, §34, is further amended to read:

### **§ 1603. Definition of "municipal cost component"**

**1. Definition.** For the purposes of this chapter, "municipal cost component" means the cost of funding services in the Unorganized Territory Tax District that would not be borne by the State if the Unorganized Territory Tax District were a municipality, but does not include a state cost allocation charge, including, without limitation, reimbursement to the General Fund for departmental functions such as accounting, personnel administration and supervision. "Municipal cost component" also includes the cost of funding obligations of the unorganized territory under the terms of a tax increment financing district approved by the Commissioner of Economic and Community Development ~~prior to July 1, 2008~~ pursuant to Title 30-A, chapter 206. The "municipal cost component" includes, but is not limited to:

A. The cost of education, as would be determined by the Essential Programs and Services Funding Act if the unorganized territory were a municipality;

B. The cost of services the state funds in the unorganized territory that are funded locally by a municipality; the cost of forest fire protection to be included in the cost component must be determined in accordance with Title 12, section 9205-A and collected in the same manner as other portions of the municipal cost component;

C. The cost of reimbursement by the State for services a county provides to the unorganized territory in accordance with Title 30-A, chapter 305. A county may not be reimbursed for services provided on or after January 1, 1979, unless a legislative allocation is obtained pursuant to this chapter. If a county receives, in addition to its budget, funds that are designated by the Legislature for a specific purpose and the county does not spend those funds for that specific purpose in that fiscal year, then the reimbursement under this chapter to that county for the next fiscal year must be reduced by an amount equal to the amount of funds so designated that were not expended for that specific purpose; and

D. The cost for payments that the unorganized territory is required to make pursuant to the terms of a tax increment financing district approved by the Commissioner of Economic and Community Development pursuant to Title 30-A, chapter 206 ~~prior to July 1, 2008~~ with respect to taxable property in the Unorganized Territory Tax District.

**Sec. B-2. 36 MRSA §1606, sub-§2**, as enacted by PL 2007, c. 627, §35, is amended to read:

**2. Tax increment financing payments.** With respect to a tax increment financing district located in the unorganized territory and approved by the Commissioner of Economic and Community Development pursuant to Title 30-A, chapter 206 prior to July 1, 2008, the Treasurer of State must deposit into the development program fund established by a county for the tax increment financing district pursuant to Title 30-A, section 5227, subsection 3 the tax increment revenues on the captured assessed value, as that term is defined in Title 30-A, section 5222. The payment must be made on or before October 15th following the date of assessment or within 30 days after the taxes constituting the tax increment are paid, whichever is later. The amount of the assessment is appropriated for the purposes of this subsection.

# FISCAL YEAR 2011 ANALYSIS

## ANALYSIS OF MUNICIPAL COST COMPONENTS FISCAL YEARS 2010-2011

### **STATE SERVICES:**

#### **Audit- Fiscal Administrator (\$198,691)**

These revenues are used to fund positions created by Title 5, MRSA, Section 246, and are costs associated with the annual unorganized territory audit and report, and other related services. This amount is a reduction of 3.88% due to a reduction in personal services and shutdown days (which in turn reduces benefits).

#### **Education (\$12,529,594)**

Revenue is needed to provide education and related services to approximately 1014 students residing in the unorganized territory of Maine. This amount represents an overall budget reduction of 9.58% from last year's appropriation which, as you may recall, was increased in Committee.

**Note:** The Rockwood School closed at the end of the school year in 2009 because of a drop in student enrollment. The decision to sell or lease the property or re-open the school rests with the Commissioner of Education. Any monies realized from either the sale or lease of the Rockwood or Benedicta Schools will go into the Unorganized Territory Education and Services Fund and would reduce assessment.

#### **Conservation-Forest Fire Protection (\$93,916)**

Revenue is used to provide forest fire control and suppression in the unorganized territory. The amount is a reduction of 4.13% and is based on the statutory requirement (12 MRSA § 9205-A) that revenues are based on 1/4 of 1% of the state valuation (\$3,756,650,000) of the unorganized territory.

**Note:** In prior years, this amount was based on historic estimates of \$160,000. The Committee may want to consider how this reduced amount may impact future years. Should a significant forest fire occur or lightening strikes spark several smaller fires, this new amount will likely not be sufficient to cover the costs of suppression; thus, there would have to be an increase in tax assessment the following year, so as to make the General Fund whole.

#### **Health and Human Services-General Assistance (\$58,000)**

Revenue is used to provide general assistance to needy residents within the unorganized territory boundaries. These services are disbursed by agents/towns approved and directed by the Department of Health and Human Services. The 1.69% decrease represents a decline in the cost of providing services.

## **STATE SERVICES (CONT'D)**

### **Property Tax Assessment-Operations (\$788,218)**

Revenue is raised for the purpose of assessing properties, establishing a tax commitment, billing and collecting of taxes, making adjustments through abatements and/or supplementals, and maintaining control of vehicle and boat excise taxes for the unorganized territory. This amount is a 4.38% decrease which reflects a reduction in personal services (freeze on longevity/merit increases and shutdown days (which then reduces benefits), as well as a reduction in travel.

### **Land Use Regulation Commission (\$525,931)**

This revenue is raised in accordance with Title 12, MRSA, Section 685-E. Statue (12 MRSA §685-G) requires the unorganized territory to raise and reimburse the General Fund for .014% of the most current statewide valuation for LURC effort in the unorganized territory. The 2010 statewide valuation for the unorganized territory is \$3,756,650,000. The \$525,931 is an increase of 7.78% over what was approved by the Committee last year.

The State Services side of the MCC budget for FY 2011 is decreased by 9.12%. The decision to increase, or not increase, State Services funding at this time rests with the Committee.

## **COUNTY SERVICES:**

### **Aroostook County (\$933,290)**

This amount reflects an overall increase of 5.41% which can be attributed to increases in some of their contractual costs for roads & bridges, snow removal and solid waste removal, as well as a 20% reduction in surplus that was available. The county commissioners and finance committee together voted an increase; thus, the cap was slightly exceeded.

### **Franklin County (\$600,521)**

This amount reflects an overall increase of 6.32%. They experienced increased costs for fire protection, miscellaneous operational costs, as well as the maintenance of summer roads. They did, however, appropriate increased funding from their undesignated fund balance to help offset some of these increased costs.

**Note:** This is the second year of a 20-year 75% (60% for the company and 40% to Franklin County) TIF for the purpose of economic development in Franklin County's Unorganized Territory. The amount of revenue generated (due the County) in FY09-10 totaled \$58,211.

The TIF agreement impacts the total tax assessment amounts, not only for Franklin County, but for all unorganized territories state-wide.

### **Hancock County (\$158,542)**

This is an overall increase of 2.61% which reflects an increase in their costs for roads and bridges and miscellaneous operational costs. They also show a significant reduction in capital reserves.

### **Kennebec County (\$933)**

This is an overall increase of 7%. The major increase for Kennebec County is seen in their solid waste (dumps) line item.

## **COUNTY SERVICES (CONT'D)**

### **Oxford County (\$494,827)**

This is an increase of 2.98%. The increase is due to a decrease in revenues and use of undesignated fund balance available this year to reduce the tax assessment.

### **Penobscot County (\$904,838)**

This is an increase of 2.20%. This increase is mainly due to a decrease in revenues. They did not exceed their cap.

### **Piscataquis County (\$1,033,573)**

This decrease of 2.60% is due to a reduction in contractual costs, particularly for roads and bridges and solid waste (dumps), and also administrative costs. They did not exceed their cap.

### **Somerset County (\$911,530)**

This is an increase of 2.61%. This increase is due mainly for contractual costs for roads and bridges and snow removal.

### **Washington County (\$782,970)**

This is an overall increase of 2.67%. This is due mainly for increased contractual costs for solid waste (dumps), a reduction in revenues, as well as a decrease in undesignated fund balance available this year to reduce tax assessment.

**Note:** In addition to the above, this is the second year of a 20 year 100% (60% for company and 40% for economic development in the unorganized territory of Washington County) TIF agreement for the First Wind Company's wind turbines on Stetson Mountain which resulted in revenues of \$1,146,534 in FY10. This TIF agreement affects the total tax assessment amounts for not only Washington County but for the entire unorganized territory statewide. The total amount of revenue for FY' 11 is not yet known, as the mill rates have been set for the year.
